Please note that, for reasons beyond our control, PayPal does not accept all credit cards. If your card is not accepted, try another card. You will have to re-enter card details on the form to complete your transaction. In some instances, it might be necessary for you to contact your bank and have any restrictions relating to online payments removed. You may always cancel your PayPal transaction and re-register using the **Bill me later** option.

Window # 3 on the PayPal site

When the next window displays, recheck order details and then confirm your payment. Follow the instructions provided by PayPal.

You will receive an e-mail message from PayPal confirming your payment. This message, which includes a transaction number, is your official receipt and proof of registration. Print out a copy and keep in your Symposium file.
